

Email 1 – Assignment Extension

Dear Professor,

I hope you are doing well. I am writing to request a short extension for the submission of my assignment due to unforeseen circumstances that affected my preparation.

I sincerely apologize for any inconvenience caused. I assure you that I am working on completing the assignment and will submit it at the earliest if granted an extension.

I kindly request you to consider my situation and grant me a few extra days.

Thank you for your understanding.

Yours sincerely,
